About The Tournament

This is the fifth Salisbury State College Sea Gull Classic Basketball Invitational Tournament. The host Sea Gulls have been champions of the event in three of four tries, their string being broken only last January when by Mt. St. Mary's. In the four previous tourneys there have been only two Most Valuable Players, Steve Rossignoli of Mt. St. Mary's and three time winner Juan Gabourel of the Gulls. With the addition of first time entries York and Spring Garden the number of teams participating in this popular classic is increased to 15.
